

Appln No.: 10/605,498
Amendment Dated: March 30, 2006
Reply to Office Action of November 30, 2005

REMARKS/ARGUMENTS

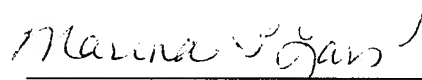

This is in response to the Office Action mailed November 30, 2005 for the above-captioned application in view of the decision on petition mailed March 13, 2006.

Without conceding the correctness of the original restriction requirement, and without prejudice to pursuing generic claims or claims to other sequences in timely filed continuation applications, Applicants have amended the claims to recite only Seq. ID Nos. 81 and 82.

This application is now believed to be in form for allowance.

Applicants request an extension of time sufficient to make this paper timely and enclose the fee.

Respectfully submitted,

Marina T. Larson, Ph.D
Attorney/Agent for Applicant(s)
Reg. No. 32038
